A newly built motor yacht, harking back to a classical era. Redman Whiteley designed the stunning and intimate interior. Beautifully finished in Brazilian mahogany and sumptuous fabrics, this yacht exudes understated elegance.

The large aft deck can be used for shaded dining and relaxing. Inside, the formal dining table can be extended to seat 10. The generous upper deck is an ideal leisure area, with 2 large dining tables, covered by a fixed awning, comfortable lounging deck chairs, plenty of uncluttered deck space and sun pads aft.

All the toys are stored on the bow, and include a fantastic custom made wooden tender.

The owner's suite, situated forward on the main deck has good natural lighting and en-suite bathroom.

Guest accommodation on the lower deck comprises four cabins leading off the guest lobby. There is one VIP double cabin, a further double cabin, a twin cabin and a "children's" cabin with good-sized upper and lower bunks, and an additional Pullman berth. All guest cabins have en-suite bathrooms.
