This is the yacht for those who truly understand how to live. Cruise at an almost silent fifteen knots, while promenading the spacious decks, or recline in the luxury of the superb owner's suite, with twin master staterooms and private observation lounge. Host dinner for up to twenty-four in the formal dining saloon, or dine a deux under the stars. With her large, wood-class crew, magnificent interior and discreet technology. Leander is the epitome of gracious cruising, and gentle living. A yacht of impeccable standards.
