The sailing yacht MAGISTRAL was built at Cammenga Shipyard in Holland in 1971. She has been completely rebuilt and refitted in 2000/2001 at the JFA Shipyard in Concarneau, France, including the extension of her aft deck with transom door/swimming platform.

She offers accommodation for 8 guests in 4 elegantly appointed cabins (3 double, 1 twin) each with ensuite facilities. The comfortable deck house comprises of a bar and sitting area which leads down to the main salon and formal dining area. A further dining area can be found on the outside deck which can be completely enclosed giving full protection. The newly extended aft deck together with the spacious fore deck allow guests to fully enjoy the exterior relaxation areas.
